ABOUT OUR ULTRA BRUT

Ultra Brut is a style of Sparkling wine that is rarely produced. Very dry and brisk, it is a contemplative wine that appeals to the true aficionado. A winery exclusive.

TASTING NOTES

Ultra Brut is a rare style of Sparkling wine that relies on flawless balance and, hailing from the stellar 2014 vintage, this latest expression succeeds beautifully. Intriguing aromas of yuzu fruit vanilla bean, lime and a hint of walnut lead to a pure, fresh palate of lemon zest, passion fruit and wild flower. With a surprising mouthwatering complexity, its bright, crisp fruit and dusty minerality ride on a serious structure, the persistent, palate-cleansing finish lingering on.

PAIRING SUGGESTIONS

A wine with such textural vibrance and intriguing tension pairs beautifully with rich, creamy sauces or foods with a natural voluptuousness such as raw oysters, smoked salmon or lobster. Incomparable with wine-savvy friends.
