DOMAINE CARNEROS

# 2019 Avant-Garde Pinot Noir Rosé

## Blend
100% Carneros Pinot Noir

## About our Avant-Garde Rosé
Sparkling Rosé has long been a staple in the Domaine Carneros line-up of méthode traditionnelle wines. However, since its debut release in 2012 our Avant-Garde Rosé has proved to be a refreshing and bright still wine which can be enjoyed year-round.

## Harvest
As we take a moment to look back on the harvest and try to put it into perspective, a couple of things come into focus. The generous rains in two out of the last three years have flushed the roots, saturated the soils and reinvigorated the vines. Cane lignification was an early indication of superb ripeness and the overall quality of this memorable and exceptional vintage.

## Tasting Notes
We believe that when you close your eyes a rosé should taste and feel like a white wine. It should evoke bright flavors and move with crispness on the palate. The delicate nose offers orange blossom, nectarine, and *Herbs de Provence.* On the palate, one finds Wild Maine strawberry, wet stone, dried sage and watermelon. This wine evokes images of poolside, beachside, or backyard sipping.

## Suggested Pairing
This wine can be enjoyed on its own, but also pairs beautifully with any brunch food as well as salad. Niçoise, Caprese, and even a lightly dressed salad featuring cantaloupe melon or fresh strawberries will really bring out the character in the wine. *356 cases produced, available only at the winery.*

## Technical Data
Appellation: Carneros
Harvest brix: 21.8
pH: 3.48
Alcohol: 13.0%

## Price
$30
