

Cellar Worker needed at Domaine Carneros!

Domaine Carneros is a singular winery best known as a small grower-producer of méthode traditionnelle sparkling wine, Pinot Noir, estate vineyards, and a breathtakingly beautiful château. All of our wines proudly hail from the Carneros appellation among Napa and Sonoma County. If you have driven to Sonoma from Napa, then you may have passed by our winery or stopped to sip a bit of Sparkling from our château and thought about working among the serenity of the Carneros scenery. Not only is the ambiance magnificent, but being a part of the Domaine Carneros team is being part of a Company that values its employees, their wellness, their career development, and provides an exceptionally robust benefit package.

We are currently looking for a Cellar Worker to join our amazing Cellar Team here at the winery! Qualified candidates will have a minimum of 3 years cellar experience, experience operating a forklift, and ability to work OT and flexible hours throughout the year as necessary during seasonal production processes. This role is responsible for completing all production and maintenance tasks in our Sparkling and Still cellars, including but not limited to tank and barrel racking, blending, barrel preparation, tank gassing, and cleaning and sanitation. Attention to detail is a key competency for this role in order to accurately complete work orders, tank tags and barrel identifications. As with all of our departments, the cellar team follows safety process and procedures and acts as ambassadors for the promotion of safe practices in and around the winery.

So if you have a passion for the winemaking process, want to be part of a small, hardworking, dedicated and cohesive team and are looking to work within a company culture that is truly dedicated to our employees, then this is exactly what you're looking for!
