

Visitor Center Facilities Associate needed at Domaine Carneros!

Have you ever climbed the 72 stairs to our winery to take in the magnificent beauty of the Carneros scenery from our expansive Terrace? If you have, or even if you have only driven by, you have noticed that we take pride in the glorious ambiance of our winery. While all of our employees have a hand in keeping our Terrace and Visitor Center pristine, the role of Visitor Center Facilities Associate is key in maintaining that beauty for all to enjoy.

The Visitor Center Facilities Associate helps to provide a clean, safe and enjoyable environment for our employees and guest through the routine organization and maintenance of our Visitor Center facility, furniture and equipment. Some of this positions key responsibilities will include: cleaning of terrace and outdoor furniture; daily periodic walk through of all guest areas to ensure cleanliness; assistance with event set up; routine inspection of all equipment to ensure safety; identifying and working with maintenance department for preventative or emergency services of equipment; removal of trash and recycling from Visitor Center area throughout day; and collection of mail and/or delivery to other off site winery facilities as needed.

Qualified candidates for this role will have prior forklift experience, be dependable and able to prioritize multiple tasks under limited supervision, have the ability to troubleshoot minor repairs, and be able to work a Thursday through Monday full-time schedule.

What sets our winery aside from others? Well it's gotta be our dynamic, inclusive and diverse company culture. Our team is hardworking and our company fosters a collaborative, transparent and supportive environment. We offer a robust benefits package that focuses on the overall mental, financial, and physical wellbeing of our employees (medical, dental, vision, life insurance, 401k w/ employer match, health & fitness reimbursement, educational assistance, pet insurance discounts, paid time off, etc...etc...).

But don't take my word for it, find out for yourself by sending your resume to resume@domainecarneros.com
