

Bartender needed at Domaine Carneros!

Do you like working in a fast-paced and busy environment? Are you looking to be part of a fun, hardworking and dedicated team? Well, look no further because this is the job for YOU!

Being a part of Domaine Carneros is being part of a Company that values its employees!

Not only would you be able to work at a winery surrounded by the majestic Carneros countryside, but you would be eligible for array of financial and wellness benefits, be part of an enticing bonus/incentive plan and tip pool, and have opportunities to further develop your career.

This is a fabulous opportunity for anyone interested in a bartending within the wine industry. They must be able to communicate with stock staff to ensure adequate quantities of wine are properly chilled, opened and ready for service. The bartending position is responsible for supporting the VC servers in a fast-paced, high traffic environment. Previous experience pouring wine in a tasting room environment is required. Knowledge of wines, winemaking, and Napa and Sonoma counties is preferred.

So what do you think? Is this opening calling your name? If so, **APPLY NOW!!**
